

# Advancing Evidence to Inform Policy and Practice

## Strategic Plan 2020-2025

### Mission

AcademyHealth improves health and health care for all by advancing evidence to inform policy and practice.

### Core Values

- Evidence for Action
- Diversity and Inclusion
- Leading Based on Continuous Learning
- Collaboration and Community
- Trust and Integrity

### Vision

A world in which evidence informs decisions for optimal health for all.

## Goals

### I. Impact

Accelerate and amplify efforts to ensure that high quality, trustworthy data, valid measures and evidence are used for decisions in policy and practice.

### II. Workforce

Develop and sustain a diverse workforce to respond to the changing needs of stakeholders who need evidence to advance health and health care improvement.

### III. Engagement

Enhance our engagement with the individuals and organizations who use evidence to drive health improvement and health equity in the future.

### IV. Innovation

Embrace innovation, technology and other societal trends to advance and inform new and relevant evidence to achieve health improvement for all.

### Who We Are

AcademyHealth is a leading national organization serving the fields of health services and policy research and the professionals who produce and use this important work. Together with our members, we offer programs and services that support the development and use of rigorous, relevant and timely evidence to increase the quality, accessibility, and value of health care, to promote equity, and to improve health. A trusted broker of information, AcademyHealth brings stakeholders together to address the current and future needs of an evolving health system, inform health policy, and translate evidence into action.
